The Premises:

Usual CMK location near Next. Good parking although metres don't rske coins. Ground floor apartment discreet, secluded and clean,friendly greeting from maid and offered shower and/or drink.

The Lady:

Millie is stunning, just like her online images. Petit, dark ebony soft skinned, firm , great ass, lovely breasts, stunning in lingerie and heels. She takes real care of her self.

The Story:

This is probably my 4th visit with Millie and every time I have been greeted warmly and enthusiastically. We sat down caught up, and then started to passionately kiss and strip off. We explored each other kissing and stroking. She moved between my thighs on the sofa and gave me the most remarkable blow job. Millie is such an expert with the tongue, lips, mouth and hands. We moved to the bed where once suitably protected we had sex in many different positions. I lead then she lead, all in front of a large mirror. Such great turn on. Millie then removed the condom and sucked until I came in her mouth. She massaged my back and shoulders, moving lower, till I was hard again, we then continued again with Millie riding me on top, till I came. Never rushed, always attentive and enthusiastic. Would definitely recommend both Millie and Annabella's.
