The Premises:

A very small first floor room in a building on a high street. It was only a short walk from Lewisham's main rail and DLR stations.

The Lady:

A slim and attractive Chinese girl with lovely, natural 36B breasts. I'd guess she was late 20s to early 30s. She was very friendly.

The Story:

This was a plan B punt, but I think I struck lucky. When the address was texted I was only a short walk away. I was directed to a fast food shop and was expecting someone to let me in the door next to it. I waited and then noticed a Chinese man across the road waving at me. The flat was on the other side of the street. I climbed the stairs and Noo let me into her room.

The session started with us both standing and I really enjoyed fondling and sucking Noo's lovely breasts. We then layed on the bed and I received excellent covered oral. After maybe 5 minutes we then had sex in doggy position. I felt great and was in full control. After a few minutes I asked for a slow hand finish. This gave me a final opportunity to fondle and suck Noo's breasts. I had a very satisfying climax.

After a few lacklustre punts especially performance wise it was a great relief to have an excellent one.
