The Premises:

Melinda is in a block of flats just north of Bayswater station in a reasonably large apartment. It has a nice new bathroom which is large enough for a shared shower if you so desire. The bedroom is a good size and features a large mirror opposite the bed so you can enjoy a good view of Melinda while in doggy or other positions.

The Lady:

Melinda is a petite thai lady probably in her late 20's or early 30's. She clearly keeps herself in pretty good shape and is slim but not overly so with a nice bit of curve enhanced by her generous enhanced breasts. She is pretty and I didn't have any complaints.

The Story:

Booking with Olina was straightforward as always and I was able to move the appointment forward when I requested.

I arrived at the flats on time and Melinda buzzed me in. I took the lift up and Melinda stood behind the door to let me in quickly to the flat when I arrived.

She was wearing the lingerie requested and was very welcoming with a kiss and embrace. I went quickly to have a shower and then returned to her in the bedroom.

The bedroom had a red light which did add to the experience and we started kissing and caressing before I progressed to DATY. Melinda responded well to my attentions seemed to particularly enjoy the rimming and she was all clean and fresh. This was followed by a good if not great blowjob with Melinda not quite going as deep as I would like but I still enjoyed.

We then moved on to the main event which involved several positons in the final few in anal finishing in prone bone with the mirror infront of us which was quite an experience.

Melinda offered a massage which she put a lot of effort into but was not highly skilled. This included her standing on me to massage with her feet and weight and I appreciated it.

Round two was more of the same with us finishing with 5 mins left. We had a moment before she offered another shower which I took before heading off.
