### The Premises:

Location 9/10

Nice, clean basement flat between Paddington and Queensway. Bedroom has spanking bench and cross.

### The Lady:

Appearance 7/10

Slim, quite pretty Indian lady. Site says she is 24 but certainly older – as the session progressed and the warpaint rubbed off, I could see better and I'd say she is probably mid30s.

### The Story:

Performance 3/10

Fancied a skoolgirl spanking session with a bit of roleplay. I used to go to London Submissive Babes for this a few years ago and I think Amira was there then but didnt see her. She looked good dressed up as requested and she takes a fair spanking. However roleplay wasnt great, she didnt engage much. Sex was disappointing, very wooden and not enthusiastic regarding different positions. Says she accepts oral on her but she was not at all keen for it. Worse was the smell was not great down there and later when trying doggie I could see her crack wasnt too clean. Sorry, big turn off for me.

Unfortunately can't recommend at all especially as session was pricy and her manner rather aloof.
