The Premises:

Usual location in CMK, clean and tidy, met by the maid who showed me to a room and offered me a drink.

The Lady:

Aylin is a pocket rocket. Slight in stature and exactly as her photos depict. She wore a light green two piece set, but it didn't hang around for long.

The Story:

I saw on the sofa in the corner of the room as Aylin came in. She was very bubbly and smiley, which is always a good start.

Paperwork out of the way, she straddled me on the sofa and began kissing and caressing me, before asking what I wanted.

We quickly got undressed and she took me over beside the bed, before getting on her knees and taking me in her mouth.

Great technique and use of her tongue and it wasn't long before I was aroused and ready to go.

On with the raincoat and onto the bed. Aylin asked whether I wanted her on top, and I agreed, she rode me for a while and she got into her stride very quickly.

Before long it was my turn on top for some missionary and ultimately doggy before I asked if it was ok to COB. She agreed and I happily coated her very perky boobs.

I only review those I enjoy, so would definitely recommend a trip to see Aylin at your convenience.

Lovely girl and I time I won't quickly forget.
