The Premises:

Kaynita lives in a nice and easy place to find in Bayswater, not far from the tube station. Easy access, small but very cosy with an Ensuite. Her room is nicely decorated and lit.

The Lady:

Kaynita is a little older than she appears, but she is still very beautiful. She isn't as small as some of the Thai girls I've seen, but she says this is a parentage thing. Apparently her father is Canadian and her mother Thai. I would put her in her mid-late thirties. She speaks English quite well, and she has a lovely sense of humour.

The Story:

I'd already seen an escort earlier that day, but I really booked Kaynita primarily for her massage skills. I booked her a long time ago and had a really nice time. She uses aromatherapy oil and really gets into it. However, she was looking so very hot in her see through, lacy lingerie when I arrived, that it wasn't long before I had her sucking my dick (which she does very well!) I remembered the last time she did it too. She slurps and makes it nice and wet, and takes quite a lot. We moved onto some sex. I was a little tired, but really enjoyed screwing for a while in missionary and from behind. Her boobs are really nice, but a tad sensitive. I finished with more OWO and I came in her mouth.

After this I had another amazing massage. Kaynita does everything from your toes, to your finger tips and even a nice head massage. A really talented woman.
