April is petite slim with a nice figure, tanned and toned legs and bum. Matches her photos exactly and generally looks gorgeous.

The Story:

April is not shy with taking pictures and you can see many of them on HoD twitter, she looks fantastic in the flesh very pretty with nice eyes.

Super affectionate in the room and really wants you to have a good time, she seems to genuinely enjoy what she does and is very good at it! Her oral technique was amazing. She provides all services listed in her profile without question.

Between sessions you will find she has a great grasp of English with a cute American accent and is chatty and friendly. Thoroughly recommended
