### The Premises:

Reya works out of her own room in what seemed to be a shared apartment (although I didn't see another occupant – usually another Thai escort), a very short walk from the nearest tube station. In through an anonymous front door straight off the pavement in a fairly busy pedestrian street, but nobody taking any notice of me as they bustled about their business in the early afternoon. Up the stairs to a door with a delightful 'Welcome' sign, whereupon Reya ushered me cordially into a typically cheerful, colourfully illuminated and slightly quirky Thai 'boudoir'.

Smallish room, quite crowded with various bits of furniture, including a small sofa, for some 'getting-to-know-you pleasantries', and post-pleasantries 'naughtiness', and a large, beautifully-made bed. And then there's the mirrors! Well, if you're a 'mirror junkie' like me, then you'll think you've died and gone to heaven. There's six – yes, SIX – scattered around the room – in particular a full width, full height mirrored wardrobe facing the bottom of the bed, a massive one right by the side of the bed, and one on the ceiling, above the bed – O-M-G, does it get any better than that? Offered a drink and a shower – I accepted both. Shower as OK as an in-bath shower can be, with toiletries and a soft towel. Quick rinse and back into the boudoir pretty sharpish, eagerly anticipating the upcumming 'antics' with Reya.

### The Lady:

Reya is a truly jaw-dropping sight, and a sophisticated and 'classy' lady. Gorgeous, 'exotic' face (she's definitely the girl in the pictures on her Invasian profile page, except she's MUCH better looking in the flesh – the photos really don't do her 'justice' at all. A bit older, maybe, but that was absolutely fine by me – preferred it, to be honest), tattoo, belly-button piercing, model-girl figure, and wearing a matching black vinyl 'waistcoat' and mini-skirt, and black leather, high-heeled, platform-soled, over-the-knee boots – WOW! She's very friendly and welcoming, with a soft, gentle voice, and not too bad English – I could understand her, once I'd 'got my ear in'.

### The Story:

Had my second 'jab' recently. Latest lockdown now really eased up. And it's sunny. So, what to do? Easy – go see one of the Invasian girls! Been a huge fan of this great agency for many years, and they never let me down. Scanned through the 'candy store' of lovelies and decided on Reya – no idea why, really, but was SO glad I did!

Pretty clear from the outset that kissing was 'off', which was fine by me – you can't have

everything in this wicked old world, and what she did during the session MORE than compensated! I undid the waistcoat to reveal an expensive-looking black bra 'extravaganza'. I then slipped off the skirt to reveal a black G-string. It's now patently clear that Reya has a fabulously toned, super-sexy, 'killer' body – gorgeously coffee-coloured, and long and lean and lithe and athletic, with flat abs and one of the tightest butts I've ever had the pleasure of squeezing – it's an absolute fantasy figure!

Now just in bra, G-string and boots, I'm getting Reya to pose and preen in front of the wardrobe mirror while I feel her up from behind. The bra comes off to display a pair of perky boobs to caress, and I have her straddle the sofa arm in just the G-string, which has little more than a piece of black dental floss at the back, lol, and boots – what a view; what a turn-on!

Then we're rolling around on the bed and I slip the G-string off her to reveal that pussy – it's truly beautiful, fully shaved and with a flat pudendum - really had me purring in appreciation! And she's all over me, writhing lithely whilst teasing my nipples, wanking me and taking me into her mouth for OWO. I get her to 'edge' me a bit, and then finally get a nice spurt of pre-cum out, cock staying hard and erect afterwards – good girl! There's quite a bit of 'mopping up' on her part with wet wipes and tissues, which was a bit 'distracting', but absolutely fine by me – she's gotta be careful. Then it's on with the condom and sex, in particular Reya on all fours in front of the bedside mirror with me mounted up behind her in 'sumo doggy' – you get the idea. I've got this front view, a side view in the wardrobe doors and, if I crane my neck around, a back view in the mirror on the other side of the bed (except that view is a bit obscured by some flowers – I'll have to get her to move them next time – and there WILL be a next time!) and, looking up, the view from above – WOW!! Well, this is all too much for me to take and I cum hard – a really great, expletive-ridden one! And then it's a TRULY exceptional Thai massage. She's incredibly skilful as she smooths and rubs and generally irons out my knots and wrinkles with her hands, body and feet. And she bends and twists various bits of my body into some positions I was really quite surprised I could do! And, once I'd turned over onto my back, I could fully appreciate that fabulous body in all it's oiled-up magnificence, and also watch Reya as she bent and twisted and flexed her supple, athletic body whilst she worked on me. Well, as you can imagine, this was all very exciting and I got hard again, leading to Reya eagerly wanking another load out of me! Now, I'm no spring chicken, lol, so Reya getting an edged-out pre-cum plus two full loads out of me these days is pretty damn impressive – respect!

Just felt completely invigorated after this brilliant session and my back, which had been playing up a bit recently, felt a lot better after the massage. Incredibly brilliant value for money in all respects. So, highly recommend Reya – obviously, lol – and I've already booked my return visit for a few days' time – that's how highly I rate her!
