The Story:

Now let me begin by saying, I never nearly wrote this review... and I shall explain why. Finding Tori was like the pot of gold at the end of my punting rainbow. I have tried countless times to make a booking with Tori, and she is always, much to my disappointment, booked. Now I see why. What a punt! I fear this review could make it even more difficult to secure a booking, however it is much deserved.

A few weeks passed since my last pleasurable time and so I was due another visit. I called on the day and once again asked would Tori be free and with luck, she was! But only for 30 mins, I would have liked an hour. Still, my luck was in.

I was told to get comfortable in the VIP room and soon enough Tori entered. Extremely beautiful blonde, blue eyes, beautiful big smile on her face. Infact I was taken back at just how stunning she is. After a little chat she asked me if I would like a nice oily massage to start. As she took her dress off she revealed an incredibly toned, tanned, smooth body. Perfectly proportioned with an amazingly perfect pert ass and fantastic tits. To look at, she is the whole package. Now I did wonder, would the service be upto scratch, Surely I can't have it all?

Well it turns out I can. Tori was incredible! Teasing my balls and cock with her tongue, DFK, OWO, cowgirl, missionary, reverse cowgirl, doggy, reverse oral. The whole lot. She is attentive in every single way from teasing to eye contact.

To top it off she is a lovely lady, makes you feel at ease, not at all rushed. Highly enjoyable

Best punt to date.
