The Story:

What a heavenly experience I had with Darcy today!

Some really passionate kissing & deep french kissing that just continued & continued for ever!

I sucked her nipples..and I kissed her nipples..and it just felt so so good..

It felt so so good to run my hand over her breasts, her bums, her back..

And then we turned to OWO with me standing..and then I sat on the bed & she went down on her knees..she continued to suck my dick..and in between suck my balls..and my dick..slow & soft..smooth & silky..it just went on & on..on & on...she just kept on sucking my dick..and that feeling is heavenly!! So lovely!

I had to ask her to stop so that I can get over her & lick her beautiful pussy! I started with kissing her lips, her face, her neck, her shoulders, her tits, her chest..and then I went down to view her magnificent beautiful pussy! I could taste it a little & it was heavenly again!

We coozied each other for a while & it felt truely great!..And I could not resist myself from loving her..

I then asked her if she likes sex..she said of course!! Then we had one missionary & one doggy! I could CUM & it felt really really good!

We chatted for a while & it was time to go!

My best ever experience in punting! The day will be remembered for long!
