The Lady:

Sophia is a gorgeous Latvian girl in her early twenties with lovely soft hair, beautiful natural breasts, a shaved pussy and a really nice curvy bum. She has a cute voice and a really lovely smile. This is the fourth time that I have seen her.

The Story:

I originally had just one appointment that day and that was to see Apple. After some truly incredible oral and sex with beautiful Apple somehow time caught up with me and I hadn't managed to cum. As I had spotted Sophia on the way in, I asked Apple if it would be possible to stay in the room and if Sophia was free could she come in for half an hour. Luckily for me, she was free. She entered the room in bra and knickers with her pussy and gave me a kiss. We got onto the bed and before long Sophia was giving some delicious OWO. I liked the way she dribbled onto my cock and gave it some little kisses. This soon became a 69 and I had that gorgeous bum in my face. On with the condom and we had some nice sex in the missionary position for a few minutes. Unfortunately for me at my age, Apple had almost completely worn my cock out and it wasn't quite its erect self and we had to stop sex for a while. But this turned out to be a blessing in disguise as Sophia spent the next ten or so minutes giving my cock a sublime blow job and soon my cock came back to life a bit more. I could have laid there all day and had Sophia's sensual lips round my cock. It was bliss. After a long and difficult week at work it was just what I needed. Being more wary of the time than I was at the last appointment, I stood up and wanked till I came one of her perfect breasts.

It was lovely to see Sophia again after nearly two years and I would recommend her to anyone who likes a cute curvy girl who delivers a great service.
