Details of Service Provider:

Profile Name: Asian Escorts London, Asianselection Oriental

Website: <https://www.asianselection.com/#asian>

Phone: 07770457700

The Premises:

Easy to find. clean, reasonable shower in a bath, firm bed.

The Lady:

She is tiny rocket of sexyness, her images on the website are fair (but photshopped, particually her tummy). Neat and tight pussy, soft arse cheeks.

The Story:

After shower, proceded to bed, I slowed the action down to take my time to caress her body, tits and finally finger her. Moving on to DATY which got very wet. After serveral positions of fucking, I finished of with CIM, which she took without complaint.

(I have previously bad experinces with Thai girls, and Alexia restored my faith in their superb skills)

I would recommend this girl.
