Smoking hot young lady!! Slim with small but perfectly shaped breasts, great nipples. Shaved down below.

The Story:

April is very keen to please and started with good OWO. Had sex in many positions, she seemed eager to be taken from behind and I gave her a memorable pounding doggie style. Great noises from her. I had a great hour wish I'd booked for longer.

April is a bit cheaper than the escorts I normally go for but there was no drop in quality (maybe I just hit lucky I dunno). She's a great girl and I'll book her again soon. Highly recommended!
