The Premises:

Entrance was discreet in a side street. Free 2 hours parking as its behind Morrisons. Nice venue inside, clean rooms.

The Lady:

Lady is a stunning ebony, beautiful figure and face. about 5'5 and has curves in all the right places. I'd say she is a size 6/8.

The Story:

Im 21 years old so it was my first ever punt.

I entered after eventually finding the door on the side street. the Receptionist was lovely and transparent. found out exactly what i wanted. was shown to the girls and as soon as I saw Courtney, I couldn't look any other way. she was lovely. she started off with a decent blowie but with the condom on. i didnt ask for owo so that may have been my fault. Or not... reason being is because her service was quite poor. we fucked in missionary , cowgirl and doggy. but in all the positions, she was complaining how my dick was hurting her and i was doing it too fast, also that she was very hungry :/.

No kissing,no pussy licking, she said thats only for her boyfriend :/. just a half fuck since my dick hurt her. I only have a 6 incher, sure shes had bigger lol.

I took a while to finish and had to wank myself off, she would just be dancing for me.

Eventually it came to an end, and she had the cheek to ask for a tip lol.

Overall, nice body, just a bad performance, pretty sure it was only the start of her shift too.
