The Premises:

Usual spot in central MK.

Clean and tidy, met by the maid who showed me to a room and offered me a drink.

The Lady:

Emily is stunning. Exactly as in her photos, a beautiful Lithuanian girl, and with exceptional English. Her boobs are ample and she's not afraid to use them.

The Story:

Emily came into the room and was very bouncy and energetic from the off.

She asked me to finish getting derobed and join her on the bed.

We talked briefly about what I liked and she kissed my chest, always a winner and I was ready to party very quickly.

I opted for OWO and Emily happily got about me, before coming up for air and wrapping her ample breasts around my now throbbing member!

On with the protection, and Emily mounted me and rode me cowgirl, grinding herself against me...

Following up, we rolled over to missionary, then doggie, before I could finish, she stopped and said "let me try something...!"

Popping a cushion under her hips, she lay face down and guided me back in, resulting in a sharp intake of breath on her part. That hit the spot and she started rubbing her clit.

Very quickly she was climaxing and I was spent.

Overall, I don't think I've had a better punt in quite a while, so will definitely be revisiting.

I note there are some older reviews for an Emily at Annabellas from 8 years ago, but I don't think these are for the same person. This one is a delight!
