The Lady:

Zoe is quite the lady!

If you're familiar with the adult entertainment industry, she's shares a look with Anna Bell Peaks.

Fantastic curves in all the right places and a wonderful demeanour.

The Story:

I'd been looking forward to meeting Zoe ever since her bio was added to the MKE site and I was very far from disappointed. She was absolutely amazing!

Northern lass (and they do try harder), and quite the sort.

Quick chat while the paperwork and preferences were sorted, revealed she is very accommodating and considerable. Asked me loads of questions about what I liked.

Started with a gentle message while we continued the chat, then some OWO. In fact, calling it OWO is not really doing it justice. I thought she was going to swallow me whole. Not afraid to deep throat and gag away. I like to think I'm above average, and I could feel her throat open to squeeze it all in, very sloppy and amazing.

Then it was on the raincoat, and she hopped on top for some cowgirl action, giving me opportunity to play with her ample breasts and some very DFK.

Round the back for some doggy (not A) and lots of encouragement, before some hard missionary which brought her to climax.

Not long after, I was getting close, and whipped off the bag to cover her boobs and fill her mouth with my load.

I rarely revisit any of the girls, as I like to keep trying new things, but Zoe is not only worth a revisit, but will be seen more than once more.

I can't recommend enough.
