The Premises:

Downstairs flat in a quiet end of the street. Preferably the best of the two flats. Lovely maid offered me a drink and showed me to the bedroom and the showers.

The Lady:

Alex is simply gorgeous. I let out a "wow" when she walked into the room. She was all smiles and gave me a kiss on the lips. She is a well spoken blonde with lovely breasts and a shaved pussy. But most of all, she has a lovely personality that will win you over from the very first second. She has a lust for life and adventure that though I only knew her for 30 minutes I could tell just after our conversations. This was the first time I had met her and won't be the last.

The Story:

Alex bounced into the room all smiles and gave me a kiss on the lips and once the finance was sorted we got onto the bed and she started sucking my nipples. It wasn't too long before she was in between my legs and giving me some delicious OWO. She gave my cock some little kisses and after a while we were in the 69 position. This was great especially as I could have some pubes in my mouth while doing so. She tasted lovely. She got my cock nice and hard within a few minutes so on with the condom it was on we had some lovely sex in the missionary position. I could spend all day looking at Alex's gorgeous face, especially her lovely smile, but after a few minutes she went on top of me, bouncing away on my cock. Pure bliss! I went back on top for some really nice slow sex.

I enjoyed every second of my time with Alex and can't wait to see her again. She will be ideal for someone who has never visited House of Divine before. Puts you at ease and gives an incredible service. Such a lovely person and beautiful, too. What more could you ask for? Very, very, very highly recommended!
