The Lady:

Bunny is always described as a pocket rocket and on my visit I discovered why! Very, very cute and at around 5 foot tall. Her red hair looks gorgeous. She has natural breasts and a shaved pussy. Golden skin and a lovely bum. Her face is blurred on the House of Divine website but believe me, you won't be disappointed! Gorgeous.

The Story:

Bunny actually answered the door to me in her casual clothes which I found quite a turn on. She then showed me to my room and then the bathroom. After I was ready, she came in and when the finances were sorted started kissing me before I suggested we get on the bed. More kissing before she asked me if I wanted OWO or OW. I asked for OWO and she then gave me quick wipe before giving me some sublime OWO with some little kisses on my cock. This soon became the 69 position and when that was finished I asked Bunny if she would sit on my face. She obliged and this was lovely. She enjoyed it, too. On with the condom and we had some really nice slow sex in the missionary position before she went on top and robe me enthusiastically. Her golden skin was lovely and smooth and it felt so nice touching her. I went back on top and with minutes to go I came on her stomach though some was on her lovely breasts.

That was a perfect half an hour and I hope to see Bunny again later this year. A real gem.
