The Premises:

Well established parlour in a parade of shops, friendly welcome and clear and well appointed rooms

The Lady:

Beautifully skinny English girl with a lovely figure. I would guess 30 something, much better in the flesh than the photos suggest

The Story:

Choosing a lady with no reviews is always a risk but was not disappointed on this occasion!

Taylor was about 20 minutes late due to being stuck in traffic but I opted to wait. When she came through the door with that skinny body, blonde hair and nice underwear I has made the right decision. Started off with some kissing (not DFK but still good), then slowly peeled off the underwear to reveal some nice boobs, she dropped my towel to the floor and stroked my aroused manhood. When we made it to the bed on came the condom - profile says OWO so needs updating (pet hate is wrong descriptions!) however oral was amazing. I slid her forward and returned the favour which was well received. She then rode me before I laid her down and came on top. We finished with a great oily hand job before I finished off on her lovely body.

She is a lovely lady with a pleasant personality definitely recommended
