### The Premises:

Owing to the Corona virus the following changes are in place at the Old Coach House:

You must wear a face mask when you enter but you can take it off once inside, a bit like going into a restaurant.

The waiting room is closed, so arrive at the time of your appointment and hope that she is not running late.

Once inside your temperature will be checked and you must use the hand sanitiser.

Having been shown to the room you must have a shower.

### The Lady:

Alex has a friendly nature and is quite chatty. She is not as a slim as her photos indicate, you would need a big hand to give her bum a nice squeeze.

### The Story:

The massage started with Alex standing at the head of the table, with her working on my shoulders and back. When she moved down the side of the table, she teased me with gentle reach unders. Throughout the session I was allowed intimate fondling.

However Alex does not allow breast relief and would let me to press against her bum. It is strictly hand relief only.

Fortunately Alex is very good at HR and I quickly reached a satisfactory orgasm.

All in all it was a good session, but I have had better ones at EGO. Sadly most of the girls who have given me a better time have left.

I hope this review gives you the info you are seeking.
