### The Premises:

Nice basement flat in quiet square. 10 minutes from Bayswater tube

### The Lady:

Quite attractive Indian. Slim, smallish tits but good shape. Nice nipples. Shaven down below. Looked rather tired when I saw her. I'd guess mid 30s not 24 as on website.

### The Story:

Amira looked good in school girl kit when she greeted me. I wanted school girl fantasy with spanking and sex. She was keen to get me to give her some cane too so I paid to give her six. Think she liked to get more ££. After disappearing for 5 minutes she came back in. Fantasy role play not great. I was surprised as thought it was her specialty. Anyway she took the spanking and cane ok. However sex was rather cold and mechanical and limited - no A, no owo, no kissing on lips. I tried going down on her but not eager. Also hygiene left something to be desired.

Bit of a strange one. She is quite attractive and seems to like the spanking but not keen to give a good service. Seems to think looking pretty is enough but need to be more interactive. Not sure how long she's been doing it but maybe it's not for her. Difficult to recommend especially at this price. Sorry.
