The Story:

I asked for a lesbian show, with me just watching and boy did these two deliver.

They started by French kissing each other and asking me to come closer so that I could see better.

Eva then lay on the bed and Gia dived in between her legs and began sucking Eva's lovely pussy lips. There was lots of filthy talk between the two of them. Eva is British and it was great to hear her complimenting Gia's oral skills. "Oh, that's right on my clit Gia, suck that clit."

Gia invited me closer and from the way she was licking and sucking Eva's pussy she's done this many times before. Gia then asked Eva to sit on her face. "Oh yes, I'd love to but I also want to lick your pussy," said Eva and she then put her arse on Gia's face and got into a 69 position. Once again, Gia beckoned me closer and looked up at me with great eye contact and smiles as she licked and sucked Eva's clit and nibbled her pussy flaps. She held my gaze the whole time and really went for it, licking and slurping as Eva moaned.

The girls then switched again, with Eva on her back having her pussy licked with her head on the edge of the bed. It was only now that I unzipped, standing by the edge of the bed, still fully clothed but with my trousers around my ankles. Eva began sucking my cock, moaning as she was being licked enthusiastically by Gia. "Oh, she's so good with her tongue." Eva's head leaned back over the edge of the bed and I got a great view of my cock in her mouth whilst she gently ran both hands lightly up and down both sides of my shaft. All the time, Gia was looking at us both whilst munching away on Eva's pussy.

I was getting close and Eva then moved up to the pillow with Gia still locked in between her legs. It was lovely to hear Eva's British accent as she told Gia, "Oh, you're gonna make me cum."

Eva then said, "Give us your cum, we want it" and "Go on, wank that cock. Come on these tits, wank that cock" whilst Gia was still licking her pussy. It felt like being in a porn film and I exploded on Eva's tits. My two naughty bi-sexual girls giggled and commented about how much cum there was. "Oh wait, he's still coming, give us more."

We chatted for a while and Gia told me that she had done a bi-sexual threesome once with her ex-boyfriend but that he had got jealous because Gia got more of the attention from the other girl. Can you believe that? Personally, I would have loved to see my girl coming on another girl's tongue.

Nice girls - and if you fancy a full on, genuine interactive these two are pure filth.

Thanks girls, I can still see you licking each other's pussies in my mind and I'll keep that in my wank bank. I hope you both enjoyed the wine x
