The Story:

I had tried to make an appointment with a another escort but was messed about, so with a quick look to see who was working I called to see if there was a chance I could see Rebecca who was on my list of ladies I wanted to meet. My luck was in & off to Victoria I went. I got to Victoria earlier than I thought so called ahead & was told to come in & wait. I was greeted by the maid & shown to a room then offered a drink. While I was waiting I took the offer of a shower, then waited a few minutes for Rebecca to finish with her previous client. She walked in wearing red lingerie & high heels. After sorting out the paperwork we started kissing this led to some DFK then my towel was removed & Rebecca started giving me owo then she started sucking my balls while giving me a handjob. I was enjoying & she wanked me faster & carried on until I shot my load. A quick clean up then I asked for a massage while I recharged. After rubbing my back she moved to massage my legs & arse, it was then I began moving & asking her to spend more time playing with my arse which she gladly did before putting a condom on a finger & slowly inserting it. A short time later a second finger was used on me & I was on all fours so her other hand could give me a hj. Thinking time was against me I suggested that we move over by the mirror where she got on her knees for some more owo then on with the condom & I took her from behind. I had one hand rubbing her clit & the other on a tit while she had one hand stroking my balls again, after a few minutes it was off with the condom & with Rebecca on her knees I shot my load again all over her breasts.

Very little was said between us during the meet but I would see again.
