### The Premises:

Neighbourhood nearing the main road , parking can be found down the side road or in supermarket car park.

Very clean apartment clean towels and massive shower.

### The Lady:

She is approx 5ft6/7. Curves in the right places 34 DD chest around 25 years old matches her selfies perfectly

### The Story:

Amazing experience very relaxed atmosphere does only OWC however really good at it as per profile to be fair her Babylon profile is very accurate including her location.

Amazing body big tits and beautiful in all categories including personality

Big enough bed nice and quiet flat

She does have a female flat mate but nothing to worry about

Amazing value at 150 pounds will probably go up to to £200 soon as do most girls I've met at this price bracket who I have recommended.

Will have to put her in my list of girls I need to come back to a second time.

Pictures do not do her justice in the flesh she is just jaw droppingly gorgeous.
