Profile Name: 24/7 Babylon Girls London Escorts Agency

Website: <https://www.babylongirls.co.uk/>

The Premises:

She lives in a nice flat by Hyde park. It's less than 10 mins walk from Marble Arch station. The flat itself is clean, but the bedroom was very small, with no place to hang your clothes. Not really a huge issue.

The Lady:

She is a lot more plain looking than the photos on Babylon girls. This photo on Admiral is how she looks with her usual make up on - <https://www.admiralescorts.com/uploads/profiles/7183/teen-young-turkish-petite-small-london-escorts-flat-chest-boobs-tits-32a400.jpg>. She is about 5'4 tall, and super skinny. She does look cute though. She's also half Romanian, half Turkish, and grew up in Romania.

The Story:

She doesn't kiss, even though her profile said she does. Which kinda made it a bad start, but I did find a good rapport with her in our conversations, and she was very GFE like in other respects, like giving a massage and cuddling up to me and spooning in between the sessions. For non-smokers she'd definitely be a negative, as she was puffing away on her vape without even asking.

So we started off with a blowjob. She was just going shallow with her and massaging the base until I told her to go deep, which she did. She also licked the balls a fair bit. I also ate her out, and and got pretty wet, but wasn't as responsive as most other girls.

So, on with the condom. Again, this has its pluses and minuses. She is a super slim girl, with tiny perky boobs, and she does good look good riding you in cowgirl. But just after a couple of minutes, she was asking me to fuck her in mish instead. I was going with deep strokes and she seemed to take that pretty well. So we switched to doggy, and I started pounding away hard, which she took like a champ. She is super light. At one point I lifted her by her right thigh and pounding away almost like a sideways wheelbarrow position. Came while doing that.

So a break, some chilling with vapes, and a bit of chitchat later, we started the second session. If there was space in the room, I would've liked to lift her up and fuck her standing or at least against the wall. But no space in that room.

All in all, she's a great fuck if you just want to release some tension. But don't expect an overall GFE girl, or even a PSE girl that isn't afraid of kissing and fluids. She is however a party girl, if you're into that sort of thing.

Service Provider's Rebuttal

The agency writes:

Whilst we appreciate all reviews, even the latest "neutral" review for Bibi, we would like to point out that this reviewer has his facts wrong. He claims that we advertise that Bibi kisses. However, nowhere on her profile does it list that she kisses, in fact we do not list anything that the girls do or don't do. That is between them and their clients.
