The Premises:

Annabella's is a very well run agency as described in MK.

The Lady:

Danni is a beautiful, blonde, blue eyes, natural D cup, good arse, cracking face, all natural slim body late 20s. She is an excellent mix of loving sensual professional girlfriend, a great female friend and a very dirty ho all rolled into one.

The Story:

I've had the pleasure of meeting Danni many times and this is something of an amalgamation of our numerous meetings. I walk in and we say our hellos and have a really good catch up - we are old friends by now having known each other for years. Then move to the bed whilst passionately kissing each other - real DKF snogging. She then proceeds to lick the tip of my dick teasing me OWO. We then move to a sixty nine position so I can feast on her freshly cleaned cunt and arse. On with protection and we fuck in a great variety of positions, missionary, cowgirl and spooning - all the time still snogging, laughing and chatting. During the sex she will let me have a really good suck on her lovely natural tits with no reservation - simply divine. We then usually wank together her often giving me a toy show until I cum all over her beautiful body. On with a lovely shared shower together, lots of banter and a great snog and cuddle goodbye. She's truly the best and I've seen many of the girls the East Midlands and MK have to offer over the decades. My fellow punters she's truly one for the hit list!
