### The Premises:

Nice and easy place to find in London Earls Court. Up a few stairs, but it's not too bad. Apartment is cosy and nicely decorated etc. Safe and secure

### The Lady:

Fiesta is the girl in the pictures without a doubt. Looks better in person, and very sexy. She is really quite tiny too in person. A lovely young woman with a great body. Speaks pretty good English too, even though she doesn't think so herself.

### The Story:

She was dressed in bra and panties when I arrived and she was very welcoming. Greeted me with a kiss and showed me the way to the shower. She was a lot of fun and did a little dance for me as I sat at the edge of the bed. Had a nice feel around. She is firm and athletic physically, with a great ass. The best part of this booking was Fiesta's OWO style. She was deep and wet and loved using her tongue. I've had some great blow jobs, and this has to rank up there. I would have CIM too, but I don't think she offered that (not sure). Either way, I wasn't sure I would last two rounds, so I had to get some other action.

Missionary was enjoyable for us both I think (she certainly seemed to be enjoying herself). Fiesta is a very full on and sexy and really gets involved with lots of kissing and holding tight etc. I turned her over to finish off and really went for it from behind for a while before climaxing. Not sure if we both did actually, but she was certainly very wet and into the whole thing. Told me "good job!" as we rolled away from each other to catch our breath. A great girl!
