The Story:

First time visit to this sub girl. I paid £420 for 1.5 hours with 12 cane strokes. Booking easily and politely arranged. Very friendly and efficient reception woman. Amira looked convincing and such a turn on in a little chequered school girl dress and boater hat as I had requested. Acting out before the session was good. I played a role that I had caught her giving a blow job to one of the boys. She took a hard and long spanking which she must have enjoyed because I could feel her get wet. I ordered her over the spanking bench for 12 hard strokes of the cane. She took these well and just the right amount of remorse but cheek sometimes also which almost deserved an extra half a dozen canes. Finished with sex. She was very willing to please and obliging which is what I love about the subs. She took it deep over the spanking bench with her blue regulation school knickers round her ankles. All in all a very good specialist punt. I will definitely return for more.
