The Lady:

Body to die for. Amazing figure, so pretty, pictures don't do her justice.

The Story:

Was shown to the room by the maid, I've seen Emily a few times but not for about a year. I was surprised that she remembered me and we had a little catch up while sorting the paper work out.

Emily is an amazing kisser, her lips are so kissable. She's an amazing, passionate kisser which is a big turn on for me. I'd almost forgotten how amazing your boobs were but I soon got re aquatinted with them.

I can't lie but I genuinely enjoy fucking this lady and it always feels more like meeting up with an old fuck buddy than a punt!!

Can't recommend this lady highly enough and i advise all who read this to immediately go to Milton Keynes and see this absolutely beautiful and fuckable lady!!

Can't wait to see her again!
