The Premises:

An upstairs flat in a private block about a 10 minute walk from Lewisham station. I'd been to the same location some while ago and just like back then the push button intercom/buzzer wasn't working.

The Lady:

Similar to the girl pictured. She was young, slim and blonde haired. She had a lovely flat stomach, but surprisingly her boobs and bum were not the firmest I've felt.

The Story:

This was a standard quick punt. It started with covered oral which I did enjoy. We then had sex in doggy position to completion. I was fine with that, I was relaxed and could have continued, but I went for a quick finish.
