The Premises:

Nice & safe discreet location, 10 min walk from the station.

The Lady:

Pictures are pretty accurate. Just around 5' curvy figure with huge boobs. She is french but speaks good english. She is probably in her mid 20s

The Story:

Started with some french kissing, she does not do DFK. I was happy to play with her boobs and sucked the mangoes for a while. I was rock hard by now and she started rubbing her huge knockers against my dick. Oral is with condom. I finished in no time. We chatted for a while she is a smart, intelligent girl and can hold good conversation. She tried for the 2nd round but I could not. Overall a good 30 min spent.
