The Premises:

Her place is a mess, first floor flat above the restaurant door to flats next to an outdoor table, and where smokers hang out, very public, there is a hatch in the hallway floor that is open late evening, to let air into the kitchen.

I arrived on time, let in after the second ring, and asked the name, horrible with people around.

Told in strict voice to take shoes off as soon as the door closed - put my heckles up straight away, give me a chance to get through the door.

Flat very messy all surfaces covered in bottles of water, big bed with no usable mirrors, horrible fake blanket on the bed that produces heat

Floor uneven with steps with no reason, Shower not clean and water v weak.

Horrible music played throughout, not English

The Lady:

So Sorry about this

Her pictures are nothing like her; she is exceptionally boney and thin, her face is over made-up, her hair bleached blonde. I know she is half Canadian, but really.

I felt that I should have just turned around and left but was recommended her, so I stayed there.

She was wearing her usual black bra etc. although I had asked for something dominating, I have grown to bald pussy, and to be faced with a bush of some magnitude was horrible

No weight on thighs, bum, the usual places, so nothing to stroke grab, smack.

The Story:

I was met at the door with demanding voice shoes off !!!!!

then peck on the cheek

Told to strip have a shower, she set water up, no kissing or helping dry just lying on the bed on the phone; I was her only customer, why did she bother to say yes

No to DFK

NO to touching boobs

No to touching pussy with hands

with oral on her, she kept her pussy away from my mouth, so made my neck sore, so I had to have turned on back. I love being face sat, so disappointing

Her oral on me was good, but v fast and too much wanking; she did not play with balls or rim

Did not have any idea how to be dominant, offer to tie me up, then did nothing about it, no blindfold

Sex was cowgirl , but lost enthusiasm as no gripping and faked cum

The massage was excellent and extensive. , but I could have had a 2hour massage for 1/2 the price

I will never see her again
