The Premises:

When you first visit you will be greeted by our friendly receptionist who will provide you with a tour of the available facilities and introduce you to the ladies. All of our rooms have been refurbished, some have en-suite shower, we also have a sauna and tea and coffee are available. We also have a disabled ramp.

Easy to find on the left hand side as you drive into the industrial estate, lots of parking, nice little set-up clean and well presented.

The Lady:

Young lady, very pretty face, nice large breast to go with her curvy body and hair in a bob and was a red/ dark brown colour, about 5'5.

The Story:

Scarlet was working on reception as the other 2 ladies were busy. I eagerly agreed to see her in the room, sorted the paperwork out and then I had the offered shower, she returned about 5 minutes later.

I has a nice oily back massage, I don't normally go for oil but this was good.

I turned over and she gave me a lovely BBJ, just the right pressure and pace, was nice to have a girl not think they should go at it like a woodpecker, a much more enjoyable experience especially when she looks at you with her beautiful blue eyes.

She took her knickers off to reveal a lovely shaven pussy and as we laid side by side for me to enjoy those lovely kissing lips, she wanked me and I fingered her now wet pussy, I love those intimate moments you get when you see an escort.

I then had to return the oral pleasure and I licked out her aromatic fanny, I'm pretty sure I was her first punter that morning. On with the condom and time to plunge my cock into her lovely tight fanny starting in mish and then onto a side spoon position and then back to mish to finish off inside of her.

She was a nice chatty girl and I had a nice experience, and she will know how to give a great time to the punters when she has had a few more clinets under her belt, definitely one to look out for in the future.
