### The Premises:

A small cosy apartment two minutes walk from Green park station. Modern shower, clean towel, comfortable bed, nothing spectacular but the lady certainly is.

### The Lady:

Voluptuous body, at least size 12 not 8 on the website. It's kind of obvious just looking at her video and photos to be fair. Blue eyes, blonde, breast lovers material for sure. Personally not really my type as I like petite girls always in my experience however, Dandelina gave me a good time, passionate, kiss proof, and ticks my box for role play.

### The Story:

I know what I want and like and typically Dandelina wouldn't be on my list as like more petite girls however nothing was lost here. I was actually looking to have a drink with a smart good looking lady, and wasn't prepared to have Porn worthy orgasms.

We clicked straight away, European kisses, offered me a shower - Always accept it, it's time taken from bookings but it's an essential etiquette to learn and ladies love that, puts them at ease and makes them more comfortable.

I would agree with last reviewer, she is certainly more mature which puts her at 29-31 range. Her massive boob size, activated my kink and started calling her mommy, and she wasn't acting surprised, tagged along straight away, calling me her baby boy, cuddling, passionate kissing, requested her nipples be sucked and we both got so sweaty and hot very quickly. I was done in 30 minutes, from cg, missionary, BBBJ, cuddles, running my fingers through her hair whispering naughty things into her ears, and vice versa it was just quality time.

She made me very comfortable opening up to her as she has herself. Politely requested if I can smoke, she joined me with a bottle of Rose, and we really opened up like long time lovers.

Although, she is not really my type, I would happily recommend her, and might book her again if I wanted to speak to someone in a confidential manner, as she was a good listener, personable, non judgmental, and felt the prostitute/Escortsmanship divide with her.

You will not find this level of escortsmanship anywhere on a brothel or VivaStreet ads. I don't share private conversations on reviews, but if you want someone smart, non judgmental to talk to, then she has my blessings.
