### The Premises:

Alima lives in a nice apartment in Earls Court, literally minutes from the tube station. It's very well kept inside, very comfortable, clean and tidy. Great facilities etc.

### The Lady:

She is certainly the woman in the pictures, although she's much prettier in person. I say woman because she's older than most. It would be hard to put an age on her really, but I would probably put her mid-late thirties, or a very good 40+. She does have a remarkable body. She speaks better English than she gives herself credit for, and she is overall one of the most accommodating women I've seen in recent years. Very happy to oblige.

### The Story:

When Alima greeted me, she was dressed in black stockings and suspenders, with the panties over the top so they came off easily. It's rare to find an escort who puts in the effort to actually wear the stockings with the suspender belt these days, the young girls don't seem to get the attraction. She had nothing on the top but a sheer, see through lace top, with her boobs half falling out. Very big boobs, and nicely enhanced.

Alima kisses passionately. Nice and wet and French. She pretty much took the lead really. Straight down to some great OWO, nice and deep. Really good! Then she stood over me with before lowering herself in a squat position over my cock and fucking me. We switched to missionary for a while and then with her legs over my shoulder. She's very flexible and seems to love every minute of it. This is where I finished.

Excused herself for a shower and came back to give me a bit of a massage, although it wasn't professional by any means. She did put in a lot of time and attention however, and I loved the way she used her nails. Then she promptly told me to go and was my cock before I returned to some pretty hot titty fucking with oil and water. Very slippery and intense. More kissing, and more OWO before she jerked me all over her boobs. I really didn't expect two goes, but it seems that Alima had other ideas. Time was bang on the hour after a quick shower. A great booking that I would repeat anytime.
