The Story:

I booked Jess for 60 minutes and Bunny joined us after 30 minutes for a threesome.

Round one with Jess

Very few girls look sexier in black stockings and suspenders than gorgeous young Jess. We began by French kissing and with me struggling to keep my hands off her perfect peachy bum. When I asked to lick Jess' pussy, she gave me the most beautiful, filthy look and said, "oh, have you missed my pussy then?" (I have been with her several times and she was right, I have missed it).

After a while we switched into 69 with her on top and I could feel myself getting hard in her mouth as she sucked away whilst I admired her gorgeous rear, slim stockinged legs and shaven pussy. She made some lovely moaning noises with my cock in her mouth. After a while, the condom went on and she sat on my 7 inches and ground her pussy down to take it all the way in. I could feel her pubic bone and at one point she simply ground her pussy around slowly in circles whilst smiling at me.

Round 2 Bunny joined us

I wanted to taste Jess' pussy again and so she sat on my face, in the 69 position but sitting up. She moved her pussy around on my face and again there was plenty of moaning. Just then, Bunny joined us and she smiled at the sight of Jess on my face. The two of them then came close to my face and began kissing each other. I asked for a 3 way kiss and they both smiled and immediately

the three of us began kissing each other at once.

The 2 beauties then began licking my cock together. I could see 2 tongues from 2 beautiful, smiling faces licking away at either side of the head of my cock. Both girls alternated between sucking and licking my balls, kissing each other and moving up to kiss me and playfully biting my nipples. At one point, each girl had a ball in their mouth whilst Jess wanked me with her finger and thumb with her other slim fingers wide open. All the time they were giggling and moaning.

Finally I was ready to spurt and I wanted a three-way kiss to take me over the edge. Both girls had their hands on my balls or cock whilst at the same time kissing each other or me alternately and then us all having a heavenly three-way kiss. This went on for several minutes until my first spurt. The girls laughed but I told them there was more to come and so they carried on kissing as before. I will never forget the closeness of these two beauties kissing me and each other in every which way possible and in a frenzied way, willing me to cum, until my second load erupted onto my chest.

What a beautiful way to spend a summer evening.

Thanks Jess and Bunny.

See you again soon x
