The Premises:

Nice flat just off Oxford Circus.

The Lady:

Very pretty , busty girl who looked exactly as she did in her pictures

The Story:

As soon as she let me in to the flat I thought it was going to be good. She absolutely did everything she said she would and was very accommodating in every respect. O, OWO, A, etc.

As usual , there was not enough light in the flat. (I like to enjoy the girls in all their glory)

She finished with a massage that left me feeling 10 years younger.

Overall an excellent experience
