The Story:

Chloe arrived bang on time, looked stunning and dressed exactly as requested. I had a great hour with Chloe, without going into great detail, all services on her likes list are available. This lady just loves this job, she really does enjoy what she does, goes out of her way to make sure you are well satisfied. Her oral skills are just out of this world and really gets into it. I also found her very responsive to my efforts of giving her pussy some good tongue action. It was a great hour of fun with a beautiful fun loving lady. I will certainly be booking another visit from Chloe, she is a star.
