The Premises:

Basement flat. The better of the two House of Divine flats. Offered a drink by the friendly maid and had a shower before meeting Talulah. She obviously had one just before me as she came out naked just as I was about to go in! My eyes nearly popped out. She was beautiful.

The Lady:

Talulah is an English brunette with a bob haircut, the cutest pert boobs that you are likely to ever see, a beautiful trimmed bush and a curvy bum. Add those dark eyes and a smile that would melt the hardest of hearts, she is the ideal package. She has a few very tiny tattoos and her nose and belly are pierced. She would have not looked out of place in the Ziegfeld Follies in the 1920's.

The Story:

Today I met perfection. An angel, a goddess.

I have seen over 50 House of Divine girls over the last ten or so years but today I met The One. This is not detrimental to any of the other girls, all of whom have been fantastic with me and I have never had a bad experience at House of Divine, but Talulah took it to another level. When she walked in wearing the outfit I saw her pictured in on the HOD Twitter page and gave me a kiss on the lips before taking the money, I just knew this was going to be special. I felt so comfortable talking to her and before long, we were on the bed with some DFK before I asked her to suck my nipples. My cock was starting to get hard and she slowly went down between my legs for some awesome OWO. This got quite deep at some points and I then asked her to put little kisses on my cock, which she did and then started kissing my balls before sucking them. We soon were in the 69 position and she tasted lovely. She has a gorgeous tight pussy and after I gave it a few kisses she responded by kissing my cock and balls again while in the 69 position. By now I was absolutely dying to have sex with her. On with the condom and I went on top and we had some lovely slow sex while kissing and while she was gently playing with my nipples. I could stare at her face all day. Her smile is something special. She really has a sexy mouth. I was surprised when I asked if she ever worked as a model and she said no. She's that beautiful.

Talulah then went on top and rode me and I had a nice suck on her lovely nipples. After a few

minutes of this it was time for doggy, which was brief as I felt Talulah needed a rest after all her efforts and I went back on top for more missionary sex. Regretting not booking her for an hour I sensed that time was running out so I took off the condom and came all over those great breasts. Had a nice chat while getting cleaned up (both of us as I made a bit of a mess on her breasts!) and I promised to see her for an hour the next time my work schedule and hers are compatible. Hopefully in two weeks time.

I left the flat with a broad smile across my face that is probably still there as I am writing this! Talulah, if you are reading this, you are indeed a beautiful woman with an amazing personality and I look forward to seeing you for an hour in the next few weeks or so. Thanks for a truly special 45 minutes. You will be seeing a lot more of me in the coming months.....
