The Lady:

Very good looking girl in early twenties. British girl with excellent conversation. Works here one or two days a week. Lovely body, gorgeous boobs, several tattoos. Total match to pics and description but better in the flesh.

The Story:

Very down to earth attitude and the whole time was light hearted and fulfilled. She gives a very good massage- the professional type and even better oral including deep throat. She is very responsive to receiving oral which I really enjoy and she leaves you in no doubt that she enjoys it too! Had a very good chat, she is quite open about lots of stuff and you can feel you get to know each other and enjoy some good banter. A no rush meeting. This was my second visit, I'm sure they will be more.
