The Premises:

Owing to the Corona virus the following changes are in place at the Old Coach House:

You must wear a face mask when you enter but you can take it off once inside, a bit like going into a restaurant.

The waiting room is closed, so arrive at the time of your appointment and hope that she is not running late.

Once inside your temperature will be checked and you must use the hand sanitiser.

Having been shown to the room you must have a shower.

The Lady:

I last saw Jess in October 2018. The maid, Millie, said she had lost some weight recently. Well she has, but it is mostly off her boobs, which are natural but not as attractive as I remember. Her bum and her thighs are pretty much as I remember them. Her face is much prettier than I remember.

However appearances are not everything, see below.

The Story:

The massage started off with Jess working my legs, back and shoulders with some very erotic 'reach unders'. She did something she didn't do last time which was to stand at the head of the table in the 'full frontal position' while I was still my front. I was able to fondle her bum while she massaged my upper body. This was simultaneously relaxing and arousing.

After I had turned over, the hand relief started and I was holding off. Then the breast relief started, this was very, very arousing. Up and down from the side with her nipples running against 'Percy'. Then me thrusting in her cleavage. Jess then moved to the side again, using her hands and her boobs. If you want to know what this was like then go and see Jess. I experienced the most

powerful orgasm I have ever experienced at Ego Massage
