The Premises:

Usual place, I brought a bottle of red for the girls (many of whom I know) to share. Had a quick shower downstairs (the bottom kitchen shower works nicely)..and passed by Abbey (looking gorgeous -btw Abbey allowed me a nice cof recently) en route. The lady brought me a small glass of the red instead of water!

The Lady:

Lucille is really shapely and lovely. Small pert boobs, a pin piercing in the left boob. About 5'4, hair in a bob with a small pony-tail. Enough to pull when riding cowboy style! Lovely face.

The Story:

Lucille is one of my favourites atm. And I hope she stays around.

Basically, her best features are her lovely face, shapely figure and her enthusiastic, passionate, deep and continuous kissing! Wooow.

Passionately deeply kissing someone so beautiful is just awesome. Thank you.

Today we got straight into it, Lucille came in with a welcoming smile and we were very soon kissing away. Soon off with the skimpy lingerie and what followed was a steamy mix - including great kneeling owo by the mirror and good finger access was always allowed.

Some doggy to end and then sadly our 30 mins was up. Only then did Lucille ask for papers as in the passion and energy of the session she hadn't seen or remembered, that my technique is always to leave £ tucked under a light or the radio!

(Somehow passing cash over, or any talk of money for that matter is impolite and de-bases the atmosphere imo)?!

Anyway, on this occasion I was seeing Ria for a second 30 min session so I had to save myself! Ria, I have reviewed elsewhere, but the combined hour was awesome. Lucille is awesome, I didn't

need a second session atal; I was just being greedy and I'd made some good £ recently and wanted a double treat!

Lucille - please stay around, you are a gorgeous, delightful, sexy little kitten. Love you to bits. Xxxx
