The Premises:

Nice anonymous flat behind Office world. Clean and comfortable. Buzzer entry but I wasn't kept waiting

The Lady:

Gorgeous! Slim, petite, firm c-cup breasts, very pretty and decent enough English. Fully shaved as most girls are. I'd guess mid-twenties

The Story:

I'm of an age where no pretty young thing is going to get wildly enthusiastic about a punt with me, this was a reasonable punt though. I paid up and Gina and I stripped off, she indicating a massage first. She's good at that and I was happy enough to let her do her thing for 20 minutes or so until her teasing fingers got me to turn over. She offered OWO which I quickly agreed to and again, she performed very well. As always though, it ended far too quickly and a later request for more was refused.

Time to explore her body and this is where it got a bit wooden: She just lay there and didn't murmur which was just a little disappointing... No matter, I was paying for my pleasure, so on with the mac and a sort of spoons / sideways position that whilst it felt OK, didn't leave much leeway for length of stroke. To rectify matters, I got her up on her knees at the end of the bed where I could control matters to my own liking. After some time I began to flag so asked her to finish me by hand whilst sucking my nipples. It worked a treat!

So, she's very pretty and gives good head but if you want someone more engaged, best look elsewhere. I'd return but on the understanding that the OWO would last longer as her mouth feels wonderful.
