### The Premises:

Its a flat I have been to before when i have seen her flat mate, Manuela(Also reviewed), modern, organized, clean and tidy few minutes away from Royal Oak station.

### The Lady:

I have been meaning to see her since I have seen her duo partner in crime Manuela. They have such great chemistry together, and I often see them recommended for duos with multiple agencies because both of them are GORGEOUS. Aletta has an adorable face, tanned dark skin, dark eyes, slender build toned, with a killer smile which made me drool over her had it not been for me trying to be civil and not expose my innate caveman perceptions so early on. She has such lovely lips, just looking at her was making me hard.

### The Story:

My dress request(Summer clothing) was accidentally not forwarded to the lady, so she greeted me with her coloured sexy new Lingerie in her new photoshoot which she looked gorgeous at. THAT is my type - she was extremely Hot.

I took my top off, and straddled her kissing her pierced belly button, going from her feet to her neck, before I paused, looked her in the eyes, admiring her, I gave her a long kiss then hopped in the shower.

She has the perfect body for fucking tbh, so I warmed up to it with 69 then passed a pillow to the side of the bed and on her knees was a wonderful sight. No DT, and overall no PS experience, but the feeling of her hands on my chest while her head is going up and down while i caressed her b boobs was heavenly. I would recommend you try this with her or any girl for that matter. Every time she wanted to put her hands on my cock I would take them away and put them on my chest, there is something about that power play scene that turns me on, and gets her used to the dynamics between us. That lasted like good 15 minutes, before we tried some doggy, and prolonged missionary finishing in the bag as customary when feeling lazy. Her pussy is so delightful to look at, shame she is not comfortable with fingering otherwise its perfect, like a rose - even full lips, symmetrical and colourful.

Shower, then i asked her to straddle me again, and we chat for the rest of the session in that

position with her pussy on top of my piece, kissing and conversing about different topics. Vanilla all the way, but I swear she is so hot imo, just what the doctor prescribed.

Me and a Babylon regular(Jack) tried convincing her to do MMF with us but she said she is not comfortable with it sadly. Like her flat mate Manuela, I loved both of them. They are so adorable and innocent.
