The Premises:

This was an MMFF with Eleanor and Claudia. My mate and I met at Eleanor's apartment, which is a nice, spacious place a short walk from Tower Bridge that she shares with her Pomeranian pooch!

The Lady:

I thought Eleanor looked like her pictures, pretty with a curvy figure, great legs and lovely natural breasts. She stood about 5'8 in her heels. Claudia was the find for me though. She's petite, maybe 5'1 max in bare feet, gorgeous, with fantastically soft enhanced boobs and a peach of an arse. When she walked in I couldn't believe me and my mate were going to have our wicked way with this stunner.

Both their selfies on the Max's Angels site are a good indication of what to expect.

The Story:

It had been well over a year since me and my MMFF buddy had been entertained by a couple of Max's angels. We arrived and Claudia was running a little late. Which wasn't too much of a problem as she was there and ready to go by the time we'd both showered and poured out the bubbly. It looked like we were both going to get a BJ from Eleanor, spilling out of a naughty school girl outfit, until Claudia walked in looking amazing in her secretary outfit. My buddy was having his cock devoured by Eleanor so Claudia walked up to me and immediately dropped to her knees and started sucking my very hard cock, and slipped off her blouse. She has a great BJ technique, with just the right amount of hands and mouth, spitting on my cock when she was getting sloppy!

I then sat on the sofa while Claudia joined me on all fours and continued sucking. This was heavenly, and Claudia looked divine, her nicely enhanced tits busting to get out of her bra. My mate said it was like watching a porn film. He and Eleanor decided to have a smoke, so Claudia and I went to the bedroom for some 69 and fingering. I also cheekily rimmed Claudia's lovely tasting ass, and her moans sounded like she was okay with it! Then on with the rubber and Claudia in doggy. She is petite and perfect and it was so hot watching her push that peach of an ass back on my cock. I couldn't resist some light spanking, which Claudia said she liked.

By this point, we could hear my mate and Eleanor hard at it in the living room, so went to join them.

While my buddy pounded Eleanor in mish on sofa, her legs over his shoulders, Claudia rode me hard on another sofa, really giving it her all, while tongue kissing me as I squeezed her tits. I then flipped her over into doggy and fucked her hard. Soon after my buddy shot his load into Eleanor's mouth, I was spraying mine into Claudia's. She's not one to play with it though, and quickly trotted off to the bathroom to spit it out.

After a ten minute breather Eleanor took me to the bedroom and got me hard again with her amazing BJ and HJ skills, with bouts of me sucking on her impressive, natural tits. We then got into 69 and I had that shapely ass and pussy in my face. I gave her a tongue lashing, and she did the same devouring my cock. She then slipped on a condom and rode me hard, talking dirty with her sexy London accent. After a while my buddy and Claudia joined us. I took Claudia in doggy while she and Eleanor sucked his cock and balls. We then swapped and he started fucking Claudia in doggy and I couldn't resist sliding my cock in her mouth. This was incredible and Claudia made the best noises as she pleased our cocks with her pussy and mouth. Not wanting to feel left out, Eleanor parked her delicious ass and pussy on my face and I was in heaven!

I couldn't muster enough for a second pop, and the high temperature of the day didn't help, we were working up a sweat fine on our own!. But, this was a wonderful afternoon with two classy ladies. I did like Eleanor, but Claudia was the real find for me and I have booked in another appointment!
