The Lady:

True to her photos, Ella is a good looking girl with a great body. She has gorgeous pert boobs and an arse that must be squeezed!

The Story:

Let me start with the positives..

Ella gave me a good OWO..her technique is good and looks to be mastered well over years..she allowed me to lick her nipples and her pussy..her pussy was a delight to lick and in a few min she moaned and said she has CUM..we had sex in cowgirl with both of us kissing passionately..I came and it felt good..

And here are the negatives..

Ella has a gruff/bossy voice and she was dominating throughout..'Oh I asked you to lie down', 'Oh are you a virgin?' and so many other off-track comments and remarks..

The kissing + OWO + RO + Sex lasted 15-20 min..for half hr she just laid next to me and kept bragging about her past..'I have not a single negative review'; 'I have clients who are visiting me for last 10 yrs', 'I am always high', 'Guys stalk me and I beat them with baseball bat', 'I am so popular that guys are willing to just meet me for 10 min and still pay the full price', ..It was endless..I was bored and got up to leave..she showed me time and I still had 10-15 min..she said she can give me a massage..I lied face down and what all she did was to run her dry fingers all over my body..thats not massage, that's torture..

Ella smokes and you have to inhale the smell if you kiss her..

When she said she had come, it was fake for sure..

I had booked Ella with such high expectations (given her tons of good reviews), what I experienced in reality was a disaster..
