The Lady:

There's no doubt that she is the lady in the photos. Tall, slender, very pretty and well worth at least another visit.

The Story:

I had already seen Apple but after a quick chat with the maid I was told that I could see Riley soon after, so after a walk around Victoria I was back but this time upstairs. I was greeted by the maid (don't know her name, but wish every maid was as nice and polite as her) and with a "hello again" was shown to the room. Riley entered soon after in red lingerie and the paperwork was sorted. I got undressed and sat on the bed beside her and had a little chat. I felt at ease straight away. While we spoke about our tattoos I started rubbing her pussy and she gave me owo. Riley suggested that we 69 and who am I to say no. As I licked away I gently started to play with her arse and said that I like that when it happens to me. So up she gets to get her bag of tricks and asks if I want her to use a toy on me. Out comes a small vibrator and with me on all fours, slowly Riley pushes it into me. I turn over and move closer to Riley, she tells me to put my legs over her shoulders and starts fucking my arse again, this time leaning forward for more owo. As I feel myself getting close to cumming Riley says that I should cum over her tits, but I said I wanted to give her a facial so I could lick it off. The look I got was one of I bet you don't but once I'd cum over her face I was licking and sucking all my cum off her. I know its not for everyone but it's something I really enjoy and with any luck the next time I see Riley she'll have her strap on and finish me off the way we talked about.
