The Story:

Delphi is outstandingly beautiful. The kind of girl that if you were with her in a restaurant, face-to-face for 3 hours, you would be mesmerised looking at her beautiful face.

We started with French kissing - and I just had to have my eyes open all the time to see her face. Right the way through the session, Delphi was gently moaning which was such a turn on. She did this constantly whilst sucking my cock and whilst fucking.

Soon, that beautiful face was near my cock and she began expertly sucking and licking me hard with great eye contact. She took my hard cock out of her mouth sideways on against her beautiful face and expertly licked my frenulum and from time to time gently slapped the tip of my cock against her lovely lips. All the time making exquisite noises.

I asked her to sit on my face so that I could make her cum whilst looking up into her eyes. She twitched and moaned and told me that I know how to please a girl. She definitely came on my face - easy to tell when a girl has to pull away because she is too sensitive.

She then asked how I wanted to fuck her, so I chose cowgirl. She bounced up and down on my cock whilst pinching both my nipples with her fingers and I grabbed her arse to pull her deeper onto my cock.

She then said we should change positions, "so that you can do some of the work". I pounded her missionary whilst kissing her, having my nipples pinched and listening to her lovely noises.

I wanted to see her face whilst cumming so I chose for her to wank me whilst I was lying on my

back, playing with her wet pussy. She stuck her tongue out repeatedly whilst wanking me and telling me that she wanted my cum. That was fucking sexy and I exploded with an earth shattering orgasm that went on for a long time.

We chatted for a while and I told about my recent pornstar fucking experience with Tina Kay. She listened intently about what it was that I liked from Tina. Delphi is a lovely girl, jawdroppingly beautiful
