The Premises:

One of usual places in Bletchley. Parked in the short stay car park and walked the length of the High Street in the pouring rain. Was shown in the a ground floor room that I have been in before, nicely decorated with bed, sofa and chair.

The Lady:

This was my 1st punt since before lockdown and I had decided to make it one to remember and had rang up earlier and arranged to see Kat, Gia, Angel and Lucile for a total of 2.5hrs. Kat was at a different location to the other three but I have really wanted to see Kat for some time so location wasn't going to stop me. Kat entered the room and she had reverted back to blonde hair with a cute tiny piercing on her nose and the larger one seen on her profile pictures above her top lip.

The Story:

OMG, if talking was an Olympic sport then Kat would be multiple gold medalist. We must have chatted non stop for the whole 30mins apart from when her mouth was otherwise full. Lots of kissing (no FK) and Kat did everything I asked for including teasing, HJ and OWO. I had said I didn't want to cum due to my upcoming sessions with the other girls and she respected this although it didn't stop her bringing me right to the edge a couple of times. I left with a smile on my face and thoughts of what awaited me at the other venue. Happy holidays Kat, see you again soon xx
