The Premises:

Normal location behind Ego. I was already at the venue having just finished a session with Gia.

The Lady:

Lucile entered the room, I had been looking forward to this session all day having just finished 1.5hrs with Kat and Gia. Much shorter than I expected from her photos, but her profile does state 5'4" so maybe I should read more instead of getting distracted by the pictures! I was certainly not disappointed, Lucile is a very very attractive girl and I just knew the next hour was gonna be fun.

The Story:

DFK right from the off and nonstop apart from when she was otherwise preoccupied with my cock. This turned out to be one of the best GFE sessions I've ever had. Laying alongside each other, Lucille playing with my cock whilst I gave her a fantastic deep fingerings session - at one point Lucille was arching her back and pushing on my fingers whilst making the most beautiful moaning sounds, I thought she was going to cum.

The hour flew by with Lucule giving me plenty of OWO and teasing of my cock, cowgirl and the most amazing deep throat I've ever had. Alas, all too soon my time was nearly up and after some wonderful OWO I finally finished with CIM which Lucile then let run down my cock.

I've just got to have another session with this absolute gem of a find, time to start saving up for what I now know will be another mind blowing experience.

If you read this Lucille, thank you so much for an amazing time and I can't wait to see you again.
Take care xx
